
Mass Violence Incidents

Statewide Preparation and Planning Resources

While every MVI and community is unique, there is a core group of partners who are critical to be involved in, and committed to, the planning for MVI readiness and response. Many of these partners are represented by state and local agencies and/or statewide Associations as well as federal and national organizations. During the planning and preparation process, other groups can be added that may provide additional assistance as needed.

State and Local Resources

Governor's Office

- Office of Emergency Management/Services/Planning
